

“App-lying Technology to Your Nursing Professional Development Practice” May 19, 2017

Conference jointly provided by Cleveland Clinic Akron General and Pentagon Council for Healthcare Professional Development

Don't miss this opportunity to increase your knowledge on technology for your nursing professional development practice! Deadline for online registration is **May 8, 2017**.

Our speaker is **Missi Stec, DNP, APRN, CNM, FACNM**

Outcomes:

Attendees will have a working knowledge of 5 currently available applications with a plan for how to integrate their use into daily practice.

Attendees will be able to articulate how to utilize smart devices in the clinical setting while maintaining HIPPA compliance.

You are encouraged to bring your smart phones, tablets and/or laptops to the conference and your power cables. There will be a list of apps to download prior to the conference listed on the website (www.anpdpentagon.org)
