

# **“Paws” for Competency: Animal-Assisted Interventions Core Competencies**

ANPD Pentagon Affiliate members are invited to attend this interactive session featuring Pet Partners’ therapy teams.

Participants will improve knowledge of Animal Assisted Intervention core competencies.

**November 16, 2017 from 6:30 to 7:20 p.m.**

(Following the ANPD Pentagon Council business meeting)

**University Hospitals Portage Medical Center  
Palmstrom Community Room**

**Prior to attending the session on November 16, please read the following:**

**A summary of Leslie A. Stewart’s 2014 dissertation,**

“Competencies in animal assisted therapy in counseling: a qualitative investigation of the knowledge, skills and attitudes required of competent animal assisted therapy practitioners”

Click [here](#) to access the dissertation summary

**This offering will award 1 contact hour.**

Successful completion criteria include all of the following: Access and read Stewart’s dissertation summary, attend the entire live session and complete an evaluation.
