

Ohio Older Adult Falls Prevention Coalition Presents the:

Fall Prevention Virtual Symposium

Join us for a virtual symposium for health professionals,
health educators and injury prevention advocates.

SAVE DATE

Friday, August 20, 2021

Topics for the symposium will focus on multi-disciplinary strategies used to prevent older adult falls to include: exercise, health care and home environment.

The Symposium will offer continuing education credit for targeted professionals. The Symposium will be offered virtually at no cost but pre-registration will be required.

Registration will open in mid - June.

Questions? Contact: Eleanor Garrison • (614) 273-1400 • eg@garrisonevents.com

This training opportunity was made possible by the Ohio Department of Health with funding from CDC-Preventative Health and Health Services Block Grant (1 NB01OT009358-01-00).
