

Creating a Safety Net for New Nurses

Description:

This program shows a multimodal approach to supporting new nurses including and highlighting integrating self-care/resilience into Nurse Residency.

When: March 10, 2022

Where: Zoom

Time: Immediately following the 6pm ANPD Pentagon Meeting

Registration:

The Zoom link will be sent to ANPD Pentagon members prior to the program.

0.75 contact hours will be awarded for successful completion of this activity.

Criteria for Successful completion:

- Attendance at 100% of the session.
- Participate and respond to menti/poll questions.

Outcome: 80% of learners will identify one way resiliency/self-care activities like music can impact and support new nurses.

Evaluation: Participants will be asked to give an example of how resiliency/self-care activities like music can impact and support new nurses.

Participants will also be asked to evaluate the presenters via polling at the conclusion of the program.

Conflict of Interest: None disclosed by Planning Committee or Presenters

Jointly Provided by University Hospitals Health System and ANPD Pentagon.

University Hospitals is approved as a provider of nursing continuing professional development by Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91).
